DEDICATION

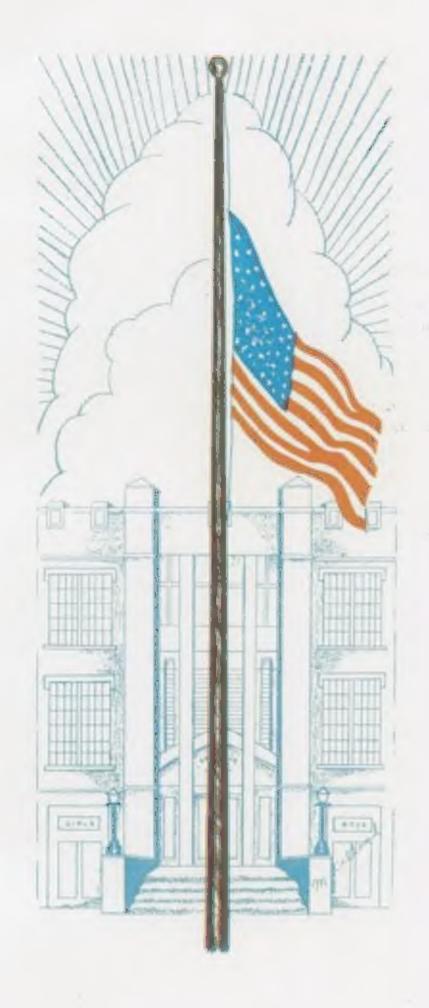

We, the senior class of 1935, dedicate this edition of the Ravelings to Mr. Worthman. Although he is no longer with us in body, he is a living memory enshrined in our minds and hearts. Those who knew him can never forget him and the noble work to which he dedicated his life. He was truly one of God's noblemen.

FOREWORD

S INCE MR. WORTHMAN devoted his life to the cause of education, as exemplified especially in his masterful services rendered in the capacity of Superintendent of Decatur Schools, and since the Decatur High School is a descendant of that first high school which was established at Boston, Massachusetts, in 1635, we have chosen as our theme the 300th anniversary of the public high school. We know that had Mr. Worthman lived throughout the year commemorating this anniversary, he would have been deeply interested and would have striven to make the students aware of the 300th birthday of that little high school that pioneered its way through three centuries of difficulties.

Therefore we take up the work left by Mr. Worthman and carry on as he would have wished us to do. As the leaves of the Ravelings are scanned, we hope the readers will feel that we have brought honor to our illustrious ancestor, the first high school, by the progress made in 300 years of high school

education.

ADMINISTRATION

If THE SOLE instructor and the founders of that first public high school, established at Boston, could come back today, they surely would give evidence of their amazement and elation at the three centuries of progress made in the

public institution of free education, the high school-

From the fact that there are now 28,000 high schools in the United States, the teachers and administrators of the past and present could consider their time well spent. From a tiny quota, educational forces have increased in power and number through these years, and now The Teacher marches at the head of a mighty educational army 6,000,000 high school students strong.

In Memoriam

God moves in a mysterious way His wonders to perform; He plants His foot-steps in the sea, And rides upon the storm.

Deep in unfathomable mines Of never failing skill, He treasures up His bright designs, And works His sovereign will.

Ye fearful saints, fresh courage take; The clouds ye so much dread Are big with mercy, and shall break In blessings on your head.

Judge not the Lord by feeble sense, But trust Him for His grace; Behind a frowning providence He hides a smiling face.

His purpose will ripen fast, Unfolding every hour; The bud may have a bitter taste, But sweet will be the flower.

Blind unbelief is sure to err,
And scan His work in vain:
God is His own interpreter,
And He will make it plain,
—WM. COWPER

MARTIN F. WORTHMAN

Mr. Worthman was born on a farm in Preble township, Adams County, on April 20, 1883. He was the son of Lewis and Sophia (Blocm ker) Worthman and was the oldest in a family of eleven children.

Mr. Worthman attended the put its schools of Marion, the Angola Normal School, and the State Normal School at Terre Haide, from which he graduated in 1910. Prior to this he had taught in Proble Township.

In 1908 he was made principal of the West Ward School in Dicatur. During 1910 and 1911 he was associated with grade and high school work, and in 1912 he was made principal of the Decatur High 8 hool, where he taught malhematics. In 1916 he occame superintendent of the Decatur 8 hools and under his supervision were five schools, the high school, Central, West Ward, North Ward, and South Ward, having a total end "ment of 1000 pupils. In recent years Mr. Worthman took post graduate work at the University of Chicago.

On September 26, 1907, Mr. Worthman was married to Miss Lydia Frue hte et Presse Township. They had three children, Mildred, Lillian, and Robert. Seven brothers and sisters survive Mr. Worthman.

Mr. Worthman was an active member of the Zion Reformed Church. He served in the Sanday School as superintendent. Mr. Worthman always repended who e heartenly to any task he was called upon to no.

In fraternal circles Mr. Worthman was a member of the Masonic Blue Loope, the Fort Wayne Scottish Rite, a past charcedop of the Krights of Pythias and member of the Loyal Order of Moose. Mr. Worthman was also a nember of Decatar Rotary Club. He was chairman of the box's work a ministree and his leadership in this respect was depended up on by the dub members. Mr. Worthman will always be remembered for his interest in young people.

Excerpts from Reverend G. W. Prugh's funeral meditation

"How does a man reach the guarded heights of honor and esteem upon which he stood? Not by setting out in the world to make money Nor are the date by becoming a dictator over other men. One data not reach engrence by any kind of academic success or by mere infelledthis power of prominence. No, the position which this man occarred in the leasts of the cards of people was reached by the pain of ansection service, by going about doing good. Service without any thought of personal profit or gain, but because he possessed a perpetual passion to help somebody. Why are there tears in every schoolboy's eyes today and an aching in their hearts? Because everyone of them knew that their superintendent had done his job not for himself but for them. He was not in this education Lasiness to get as much as he could but rather to give back to the word, to fre boys and guls, infinitely more than he ever received It was clear to all people that the rule of his life was not his own, but that it had been tarned over to One who is more interested in making Curistian men and won en our of boys and girls. He had learned from his Master that is the Kingdom of Heaven he that is truly great is the servant of all. Let him be remembered by those of us who were forting ate enough to know him as one who literally laid down his life for his triends."

MARTIN F. WORTHMAN

Principal of the Decatur High School from 1912 to 1916, and Superintendent of the Decatur Schools since 1916.

Mr. Worthman died at the Decatur Memorial Hospital on October 20, 1934, in his 51st year.

CLASSES

ATIN WAS the principal subject taught in the first public high site of three continues ago, and the pupils staded it diligently under the strict supervision of their instructors. Other subjects were offered, but they were not emphasized as much as Latin.

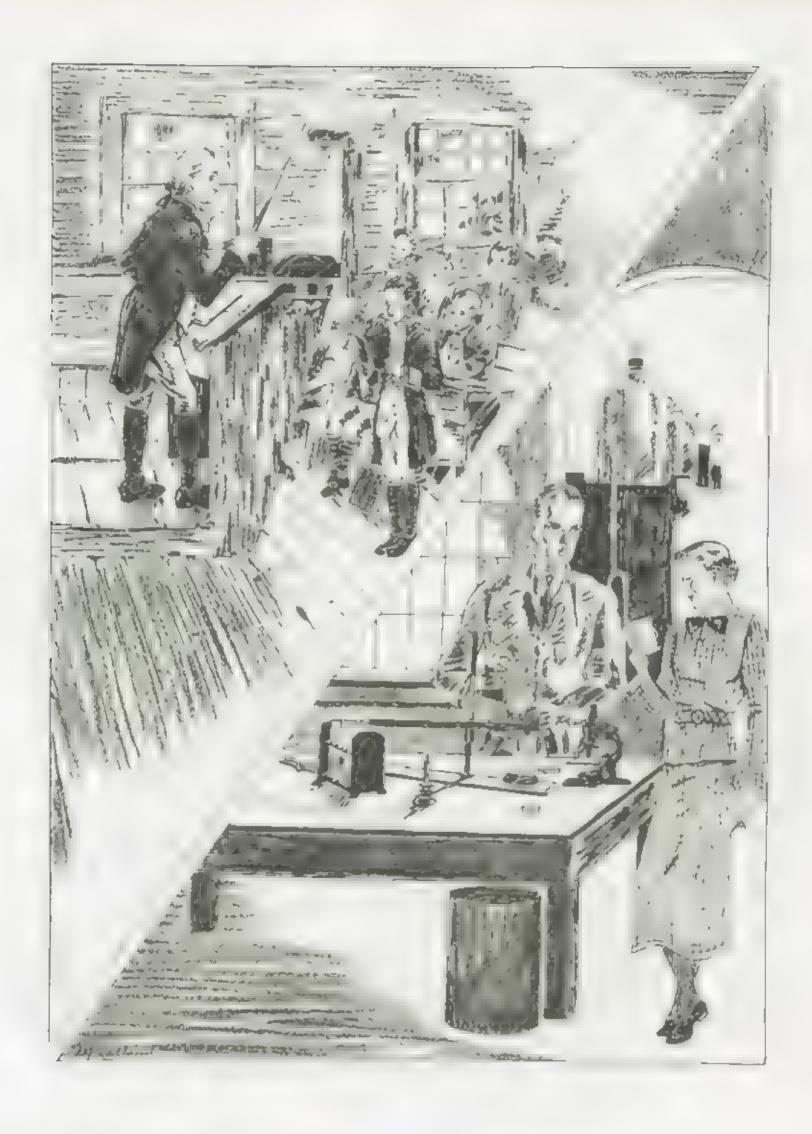

In the high schools of today there are varied courses of

study, and certain essential subjects are compulsory.

Latin, although it still has a place in the modern high school, does not occupy the prominent position it had in the first high school. Other subjects, equally important, have been introduced into the modern curriculm.

Students of the modern high school should appreciate these additional opportunities offered them to further develop

their mental and physical powers.

TO CATHERINE

As when day is done
And the mother soothes
The weary tabe on her breast.
So God has taken this pure young soul
To dwell in his Garden of Rest.

As a lone star—
Sinks into Heaven's blue arc
Awalting the coming of dawn
The pure light flickered—
Then silently passed
Into the Great Valley Beyond!

ATHLETICS

IN THE first high school athletics were quite limited, because the teachers and administrators could see no value in such things. During warm weather, however, the school master would trequently take the well-behaved boys swimming. During the winter they also had such favorite sports as coasting and ice skating.

In the high schools of today, however, there is much greater opportunity to develop the body along with the mind, for a course in physical culture is required in every high school. High school students of today also participate in various athletic contests with students of other schools. Undoubtedly, athletics play an important part in the high school life of today.

ATHLETICS

THE WORTHMAN FIELD

The Worthman Field consists of a football told, a baseball dominal, a track, tennes courts, and tumping pits for field events. FOOTBALL GAMES

Decatur 7 C. C. of Fort Wayne 6

The Yellow Jackets opened their season by defeating Central Catholic of Fort Wayne by the score of 7 to 6. Neither team scored until the final quarter. With the Irish leading 6 to 0, Dick Sheets snared a pass from Schultz and ran forty yards for a touchdown. The extra point, which meant victory, was made by Butler.

Decatur 13 Auburn 6

Playing on a muddy field, the Decatur eleven outbattled a fighting Auburn team and won 13 to 6. Auburn ran back the opening kickoff for a touchdown. Decatur's points were made by Sheets and Myers.

The Yellow Jackets upset the proverbial dope bucket by holding the strong South Side eleven to a scoreless tie. Several times the Fort Wayne school had opportunities to score, but each time the Jackets' line held them off. This strong defense along with Walther's punting gained a tie for Decatur.

Decatur 12 Garrett 7

The Yellow Jacket's next victory was over the Garrett Railroaders. Decatur scored early in the game and their goal line was never threatened except for the last quarter when Garrett completed two passes for a touchdown.

Decatur 0 Central of Fort Wayne 0

Once again the fighting Jackets surprised football fans by playing Central of Fort Wayne to a deadlock. The locals had several opportunities to score but lacked the necessary punch to put the ball over the line.

Decatur 14 Portland 0

Portland presented a light and inexperienced cleven and Decatur had no difficulty in beating the Panthers. The Jackets pushed over a touchdown in the first three minutes. Coach Andrews used a reserve lineup during most of the game.

The Jackets kept their slate clean against Fort Wayne schools by nosing out the North Side Redskins for the first time in years. In doing so they played their best game of the season. Fighting every minute and taking advantage of every break in the game, the Jackets came from behind to add another victory to their string.

Decatur 6 Bluffton 0

The Jackets ended the season in a blaze of glory by humbling the proud Tigers from the Parlor City by a score of 6 to 0. Red Schultz returned a punt 80 yards for the winning marker in the second quarter.

FOOTBALL PLAYERS

BARKER

Barker is a junior and has won his letter for two straight years. He is a hard driving, vicious tackler and very hard to pass.

BLYTHE

Harold was a hard fighting, hard running halfback, who could be called upon for a few yards when they were needed. He was another senior.

BRODBECK

"Dick", after being out two years, finally earned his letter by playing good, clean, football and showing good sportsmanship. Dick will be lost throught graduation.

BUTLER

Butler, a junior, completed his third year on the squad. He played full back and although handicapped by an injured knee, played his best when in the game.

COFFEE

"Pat", the fighting Irishman, was always in the battle and was a tower of defense. He was an end, and although he did not play regular, he earned his letter. "Pat" is another senior who will be lost to the team.

CONRAD

"Coonie", the only man on the squad who earned four letters in football, was elected honorary captain at the end of the season. He was one of the toughest guards Decatur ever had.

KOLTER

Kolter, our gigantic tackle, was another senior who won his letter and was a big reason for the team's success. It will take a foot-ball player to fill "What-a-man's" shoes.

MYERS

Dale was one of the "toughest" men on the team. He was a cool player and will be back next year,

SHEETS

"Dick" was a speedy, hip waving halfback and was adept at intercepting passes. He was also handicapped by a bad knee. But managed to earn his "D". Sheets is another senior who will be lost to the team.

HURST

"Bud" played center and although only a sophomore has won his letter two years. He was a deadly tackler and will be the nucleus for next year's line.

WORTHMAN

Trying to move "Bob" in that line was like trying to move an elephant and was done about as often. He is a sophomore and should be a star in his two remaining years.

RITTER

"Tink" is another of the many juniors who won letters. He was a halfback and should be a varsity man next season.

FREIDT

"Pop" started the season playing in the line, but was shifted to the backfield where his speed and drive were needed. He is a sophomore and we predict a bright future for him during the next two years.

WALTHER

"Hoggy", our big end, gained the reputation as being the best kicker in northern Indiana. Time and again his long, high punts sent the enemy back to the goal line. This was his third year on the squad and he has another year to play.

SMITH

"Taddy" was one of the fastest men on the team and a deadly tackler. This was his second and last year of football, as he graduates.

SCHULTZ

"Red", who was our leading scorer, was one of the most elusive runners we have ever had. Most of his touchdowns were scored by long runs. "Red" was also a good field general and will be missed next year.

TRACK

Thirty-five boys reported to Coach Herb Curtis to work out for the track team. The boys showed more interest in track this year than has been shown in previous years. The new track at Worthman field has been fixed and more cinders have tree in a down in order to make the good as possible. Some of the beas are only well and many to expect to do much in helping Decatur win meets.

Those working out for the team are:

Dashes: Eavmond Wason, Arthur Merraman, Wordell Smath, Arthur Sunderman, James Fringer, Harold Blytne, Eamer Shietz, and Lotph Hurst.

Distance Runs: Eugene Friedt, Fred Scheiderer, Dale Hoffman, Robert Beavers, Rahm Steen, Frank Gretner, Danald Bixler, Herb Banning, and Raymond Jonhson.

Hurdles: Ralph Hurst, Raymond Wilson, Fred Scheiderer, Herb

Banning, Wendell Smith, and Harold Blythe.

High Jump: Harold Blythe and Arthur Sunderman.

Shot Put: Junior Barker and Ralph Hurst,

Pole Vault: Lawrence Ansbaugh, Lewis Smith, and Harold Blythe. Broad Jamping: Weastel Smith, Elmer Schielz, and Ralph Harst.

Meets have been scheduled with the following teams: April 13: Invitational meet at South Side of Ft. Wayne.

April 16: South Side reserves (here).

April 20: At Bluffton with Bluffton and Montpelier,

April 30: Garrett at Garrett.

Another meet will be held with the North Side reserves. The conference meet will probably to held May 1. The sectional will tolow one week later on May 11.

Coach Curtis explained the point system by which a letter may be won, and the boys are all the more interested in working for a letter.

The prospects for this year are relisonal ght; rewaver, only two love. Harold Blythe and Flmer Schultz, will be lost to the squall and in two intrree years. Decatter should have a learn capable of computing with the best.

TENNIS

With our new asphalt courts in great shape, our boys started off the fethes select with a barg ten bays answered Coach Deane Dorwin's call compared with last year's eighteen candidates for the team. The weather was almost too cold and wet at first for the boys to do much work; however, the prospects for this year are good. Three lettermen who returned from last year are Jacob Mover, Harold Blytne, and Vance Fenence. Arthur Statemann, Doris Stalter, Harry Mover, and Arthur Heller are underclassmen who have a good chance to make the team. Ribert Astronomic Jay Alton, and Mered th Cline are practicing and show much promise.

It certainly looks as though Decatur is going to have another good team. Now that we have new courts it is our hope that the N. E. I. C. tennis tournament will be held here again this year.

Tennis meets have been arranged with the following teams: Hunting-

ton (here), Bluffton (here), Central of Fort Wayne (here), Huntington (there), Central of Fort Wayne (there), Bluffton (there), Other matches with Dunkirk, North Side, and South Side of Fort Wayne have not been definitely arranged.

We will lose three boys from our squad next year. They are Harold Blythe, Jacob Moyer, and Vance Fenimore. Although our team will be greatly handicapped by the loss of these boys, we hope that they will carry off further honors for our alma mater.

ACTIVITIES

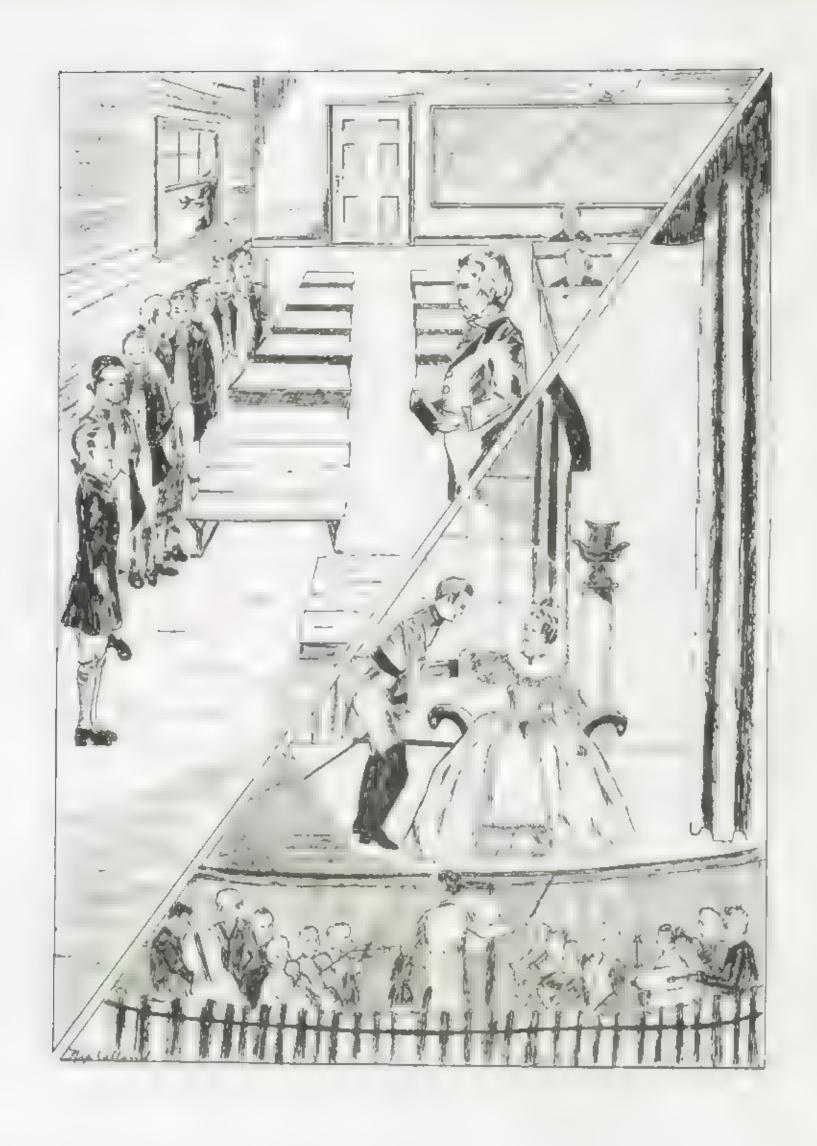

IN THAT I've high school there eldom were any activate other than the regular lessons. However, sometimes the school master would permit the pupils to carry on spelling matches. The students welcomed this diversion with great onthusiasm. Also, in the spring time the teacher frequently

accompanied the boys on picnics.

In the high school of today there are many activities. The various high school clubs and organizations enable the students to utilize their spare time in accomplishing something worthwhile to themselves. There are some organizations in the modern high school that permit the students to undertake certain projects that will help them in their study. There are some clubs that make it their business to promote athletic activities. Other clubs give the students opportunities to take part in musical entertainment. Dramatics, too have become important in the high school of today.

It might be said that such activities as these constitute

one of the mainsprings of the modern high school.

National Scholastic Press Association

1934 ALL AMERICAN YEARBOOK CRITICAL SERVICE

Ravelings

In recognition of its merit, is awarded

First Class Donor Rating

in the Fourteenth National Yearbook Centual Service of the National Scholastic Press Association at the University of Minnesota, Department of Journalism, this First day of November, 1934

The fact that the 1934 Ravelings received high honor must not be overlooked. Last year's Ravelings was awarded the First Class honor rating in its division of high schools of 300 students or less. This award was the second highest that could be obtained. All American being highest.

The theme of the 1934 year book was Recovery in honor of President Roosevelt who introduced plans for the recovery of our country from an economic standpoint. Various phases of this theme were carried out effectively, and also the arrangement of the annual was cleverly planned.

This, however, was not the first year the Ravelings received such an award.; for in the past several years similar ratings have been given. These successful Ravelings staffs should be congratulated for their accomplishment in editing first class annuals. Such honor makes a school proud of the persons whose efforts are exerted in obtaining it. The members of this year's Ravelings staff have striven to publish an annual that will bring similar honor to their school and to themselves.

APPRECIATION

The Ravelings Staff would appreciate the patronage of the public to the advertisers who have been instrumental in the publication of this edition of the Ravelings.
